

The MedPlus Northgate Clinic provides the quality care College Station is known for, along with some sweet amenities just for you – like Wi-Fi and smartphone charging stations. Not only are we close to campus, but we also take care of things like well-woman exams, X-rays and lab work right here. **To learn more or to schedule an appointment, call 979-485-2827, or visit CSMedPlus.com.**

711 Church Avenue, Suite 101
