

AGGIE LIFESTYLE REIMAGINED

Park West is genuine Aggie lifestyle—parks and buildings, hustle and bustle, a melting pot of students from near and far walking the college path together.

It's a place full of choices, a genius design of study-sleep space, work-relax, an incubator of community for students passionate about education and tradition.

It's countless tight-knit groups of friends connecting across floors, buildings, study areas, and green spaces. A home base for 3,400 classmates who want the best that on and off campus living have to offer—right across from A&M. Park West is Aggie lifestyle reimaged.
