

Located in lower Mānoa Valley in the middle  
of Honolulu, just ½ block from UH-Mānoa,  
our hostel boasts a friendly, clean,  
and peaceful environment.

Wake up to chirping birds in this homelike setting.  
When your day of exploring the island is done,  
unwind on a patio shaded by coconut trees.

*“To help all, especially the young, gain a greater  
understanding of the world and its people through hostelling.”*
