

VALENCIA COUNTY'S UNIVERSITY

We are more than just a branch campus, we are Lobos. We are educating the minds that will save lives. We are showing students how to visualize their dreams and make them reality. We're teaching students the skills they need to succeed at Main Campus. Students are afforded the opportunity for a lower cost, higher education. You can be who you want to be, you can be a Lobo, at UNM-Valencia.

280 LA ENTRADA RD. LOS LUNAS, N.M. 87031
