

THEY'RE DRIVEN TO EARN A DEGREE. **ARMY ROTC CAN HELP THEM AFFORD IT.**

College is a big enough challenge without the worry of how to pay for it. Whether your child is in high school or college, they can find scholarships to cover full tuition while they become an officer through the Army ROTC. Scholarships are awarded based on merit and grades, not financial need, and are available at over 1,100 colleges and universities. Many of today's public and private sector leaders in management, business, science, engineering and technology got their start with Army ROTC - your child can too.
