Summon your potential *with a* **Juris Master Degree**

The Juris Master (JM) is a customizable, 30-credit-hour legal program designed to enhance your knowledge of the law and help you differentiate yourself in your job search and career. You'll have access to leading scholars and outstanding teachers who are experts in their fields and benefit from Emory Law's global network of more than 11,000 alumni. Choose from a broad range of concentrations and elective courses.

Complete coursework full-time in as little as nine months or part-time in up to four years. Fall and spring starts, and scholarships, are available.

Emory Dual Degree Programs

- *Emory College of Arts and Sciences*
