

A group of medical students and a faculty member are gathered around a medical training mannequin lying on a gurney in a clinical setting. One student is using a blue resuscitator mask on the mannequin's face, while others observe and assist. The background shows medical equipment and a clean, professional environment.

We Doctor Kansas and you can, too!

More than 2,000 students have added M.D. to their names after graduating from KU School of Medicine-Wichita. We have a reputation for providing our students incredible hands-on, community-based learning opportunities.
