

College of Continuing and Professional Education

Advance your career by enrolling in a degree or certificate program at CSULB.

The College of Continuing and Professional Education offers a diverse range of degrees, professional development certificates, and international education opportunities to enrich the lives of CSULB students. Working closely with our campus, business, community, and international partners, CCPE serves California's workforce and economy by offering new and innovative pathways for students to achieve success.

Visit www.ccpe.csulb.edu for more information or call (800) 963-2250.
