Important Points to Remember:

- All routes except WSL originate, and transfer at the Rover Transit Center at the northeast corner of Walnut and Burton.
- Rover currently offers seven routes in the City of Murfreesboro (see map for route details).
- Rover buses run Monday through Friday, five days a week, from 6 a.m. until 6 p.m.
- Rover bus drivers try very hard to stay on schedule, so get to your stop a few minutes early to make sure you don't miss the bus.
- Check to be sure you are getting on the right bus before you board. Each bus shows its destination on the right side of the bus and above the front windshield.
- Every Rover bus has a bike rack as does the Transit Center.
- Every Rover bus is wheelchair-accessible.
