Two Degrees. Boundless Potential.

The College of Education Double Degree program awaits. Earn two bachelor's degrees at the same time—one in your field of interest and one in education. The opportunities are limitless. It's your time to be a leader in the community and inspire the next generation, just as your teachers inspired you.

Our Minor. Your Future.

Adding a Minor in Education allows you to engage in education outreach, become a trainer in the workplace and diversify your skillset. Your opportunities don't end in the classroom, they just start there. *Does not result in a teaching license.*
