SAINT PETER'S EMERGENCY DEPARTMENT.

Recognizing that time is essential in an emergency, the Saint Peter's Emergency Department staff is dedicated to treating patients as quickly as possible. Saint Peter's Emergency Department is one of the largest ER facilities in central New Jersey. It is staffed 24 hours a day, 365 days a year by a highly trained team of emergency medicine physicians, Magnet-designated nurses, and other emergency professionals.

Saint Peter's is an award-winning, designated primary stroke center and offers emergency angioplasty, a life-saving procedure that may help heart attack patients experience less heart muscle damage, faster recovery time and improved quality of life.
