

RUTGERS

Edward J. Bloustein School
of Planning and Public Policy

Questions?

Discover our majors to find the answers.

At the Bloustein School, we lead by exploring planning approaches and policy solutions that are healthy, green, and fair, pursuing equitable and efficient responses to public problems at multiple levels from the global to the local. The Bloustein ethic engages those who do their jobs not just honorably, but with a passion for their work.

health administration | planning & public policy
public health* | public policy | urban planning & design

* Accredited in 2016 by the Council on Education for Public Health.
