

Your Campus, Online.

You've already taken steps to advance your education and invest in your future; now let us help you take it the next level with online courses.

Flexible

With hundreds of online courses, SHSU Online has the option you're looking for to reach your academic, personal, and professional goals.

Accredited

Award-winning online courses taught by on campus professors. Each of the credits you earn online are identical to the ones you would earn in a face-to-face course on campus.

Achievable

Talented and innovative faculty, coupled with smaller class sizes and around the clock support, ensure that you have the resources to achieve your goals.
