

Windham Club

Just a couple of miles from campus, the beautifully restored Windham Club is open to the public and the UConn community.

Chef Dennis Anderson serves his creative cuisine Wednesdays through Saturdays at Seasons, and our unique pub fare is offered every day of the week. Enjoy our lovely seasonal indoor spaces, or our sun-drenched deck overlooking the golf course.

Perfect for a casual lunch or events for a hundred. And oh yes, there's some pretty outstanding golf to be played here too.
