The Benton
THE WILLIAM BENTON MUSEUM OF ART

Catch a thought-provoking dramatic performance on stage, be moved by a soprano performing with a full orchestra, discover the profound intentions of a mid-century artist while on a museum tour, watch in wonder at a vintage marionette in action, be inspired by contemporary art in an intimate space, and laugh the day away at a comedy show that same evening.

The UConn School of Fine Arts and its fine art venues play host to world-class professional performances and exhibitions all year round.

If you're looking for the arts, they're here.
