

Ryan Li, BS/MS
Information Systems
Class of 2017

Come for a Bachelor's. Leave with a Master's.

Starting your career in business armed with a master's degree can set you apart from the pack and provide a real competitive advantage. Enrolling in the Smith 4+1 program enables you to count 10 credits toward both your bachelor's and master's degree. Jumpstart your career, enjoy significant savings and do it all in 5 years or less.
