

Legendary BROADWAY PIZZA Since 1977

BROADWAY PIZZA >>>

Legendary Broadway Pizza, one of Memphis' favorite family-owned-and-operated restaurants, was opened by Lana Jeanette Cox in 1977 at **2581 Broad**. Third-generation family members, UofM alumni, now offer Broadway East at **629 S. Mendenhall**.

Elder family members were raised in extreme poverty, so we find it important that faithful friends "get their money's worth and not leave hungry." We have always supported students with transitional employment and managerial opportunities, whether you are wanting to work your way through college or looking for future career opportunities.

We're not just a pizzeria! In addition to our bakery—making fluffy cakes for any occasion—Broadway offers salads, whole wings, spaghetti, chicken parmesan, burgers, and Homestyle plate lunch specials. **Call-in orders welcomed.**
