

See a doctor during your next study break with TGH Virtual Care.

TGH Virtual Care treats common ailments such as:

- Sinusitis
- Flu
- Bronchitis
- Asthma
- Sore throat
- Cough
- Rash
- & More...

Now you can conveniently visit a doctor live anytime, anywhere
on your smartphone or computer.

- No waiting room or other sick patients
- Live, face-to-face care for adults and kids 24/7/365
- Consult with a board-certified doctor
- Prescriptions can be sent directly to your pharmacy
- Each visit is only \$49

To use TGH Virtual Care, download the TGH
Virtual Care app or visit TGH.org/virtualcare

Available on iOS, Android and computer
