

HUMAN CENTERED DESIGN & ENGINEERING

In the University of Washington's department of Human Centered Design & Engineering (HCDE), students and faculty design solutions to global challenges by tailoring technology to human needs and interests. *Join us. Change the world.*

W

BACHELOR OF SCIENCE

The BS in HCDE provides a solid foundation in designing user experiences and interfaces, creating information visualizations, conducting user research, and designing and building web technologies.

MASTER OF SCIENCE

The MS in HCDE fosters students' knowledge and skills to design and evaluate technologies and user interfaces, and prepares students for leadership roles in information design, user experience design, user research, human-computer interaction, design thinking, and related specializations.
